Thread: [How to Get TLD Domain Absolutely Free \(.com .net .org\) in 2018](#)

WebTime - January 20, 2018, 12:24 am

I have been searching for this long time. I recently read a blog post about it. It is written that the domain you get for free would be probably suspended within 2-3 months. So you may use it specially for purposes like getting your adsense account approved and similar things.

Post in the thread and PM me to get the link of that post of that blog.
