Looking for Parajumpers in particular, you guys know of any good replica marketplaces or stores in general that offer good stuff for a good \$? ?

Mate if you want good replicas and have some money to invest, you should go to Turkey. Turkish Lira is extremely cheap currently. It's like 1TL = 0.21 euro and there are really big discounts there right now

Check out /r/fashionreps on Reddit, it'll take some digging but it'll be better than trusting some random dude in China with your money.

taobao.com

Use an agent like superbuy.com

But to be honest, you wind up paying retail on most things when you factor in shipping on heavy stuff.
