Thread: [Need an Appraisal of a Custom Steam URL](#)

Wompus - January 20, 2018, 10:30 pm

Thinking of selling this Sweet as steam community custom url. Not sure how much it's worth

Please post here or contact me if you do, thanks.

Pretty good steam url id.

I would say it's around \$400 - \$600 roughly.

I know a lot of people that purchase that for that amount of money.

If you could put them in touch with me or let them know I'm interested in selling I'd be happy to sell
