Excellent service, would definitely deal with him again in the future.

Everything went super quickly and I must say that was \$25 well spent!

Huge vouch!

Philip J. Fry - January 23, 2018, 8:26 pm

What is the ban possibility on this?

informal - January 24, 2018, 3:06 am

Sent you a PM. Looks like a great service.

Hi what's the ban rate? Is this safe?

One ban report/ 100+ customers. And with that particular case, there was never solid evidence that the ban happened because of the service. I figure the person was using aim cheats or other hacks which were the real cause.
