Thread: [Dumb question i know but how come i cant post threads in the buy sell forums?](#)

Ned-Kelly - January 21, 2018, 6:45 pm

Sorry for wasting your time but is there a minimum requirement or something ? I had a look and couldnt find anything.

Percyi - January 21, 2018, 6:52 pm

There is most likely a post requirement there. Some forums such as Currency Exchange require you to be Ub3r.

Adult accounts aren't allowed to be sold here.

Take a look at the [Help Documents](#)

Non-Free Accounts should be posted in the respective section. You'll need to be upgraded to Ub3r for that. Adult website accounts can't be sold on here, however.
