how about the red one? is there a possible way to hack it?

spacketball49 - January 24, 2018, 7:06 am

Get out of here with this bullshit

deltaxflux - January 24, 2018, 12:07 pm

Lq post. Deal with caution

Meh3k - January 25, 2018, 6:04 am

Not working at all

Is there any other method to hack someone wifi?

Nullzer0 - January 25, 2018, 7:38 am

This is full of crap and disfunction... stop trolling dude.
