Hello, I honestly did not know where to publish it and it seemed more appropriate to do it here. if I'm wrong, let me know. ?

ntoskrnl.exe - January 22, 2018, 3:55 pm

5% fee, everything allowed, lol... ?

mrjammy - January 22, 2018, 4:51 pm

That fee is way to high for me

PayForThings - January 22, 2018, 6:43 pm

Nice one but just the fee abit high

Miku2 - January 22, 2018, 6:49 pm

2% or 3% would be nice tho

Arkoon - January 22, 2018, 10:58 pm

I think that 5% fee are justify, this pool accept botnet that on other pool are not accepted. Can you send me te silent miner?

SuperiorUser - January 22, 2018, 11:02 pm

Imao 5% fees, I ran a 0% fee pool before that allowed botnets

It has been around 12 hours since the last I checked. It's was down back then aswell.

For me the loading circle just keeps spinning and nothing shows up.

Freaki - February 4, 2018, 3:56 pm

What is the minimum payout for this pool sir? Thanks in advance :)

Toxicque - February 4, 2018, 11:00 pm

Great idea. Won't work though with a hashrate of 149.

BitcoinCriminal - February 6, 2018, 1:58 pm

I have some proposals for you, please send me a secure email address via pm because i cannot reply yet

SgtSmusi - February 13, 2018, 6:31 am

working well for me so far, thank you

Cryptoflower - February 16, 2018, 2:10 am

Working good bro maybe I will use it for my bots!

NuckingFutz™ - February 23, 2018, 3:20 pm

Yeah 5% fee seems a bit steep. Maybe at 2-3% i would join.

ryanwls - February 23, 2018, 11:18 pm

is it still working ?

says just "BYE" on the page...

The pool was never active ;)

OP just hoped that people would mine at his shit pool so he could earn money kek wich failed big time

Crypting12 - February 24, 2018, 12:10 pm

That fee is way to high for me
