Thread: [\(Really basic\) How can I set up an RSS feed for this website?](#)

Fox News - January 22, 2018, 7:11 pm

I want an RSS feed for my computer on the recent posts in the marketplace. I see an RSS Syndication button at the bottom of the site but I have no idea how to work it. Thanks.

You need a rss reader..

Such as

<https://chrome.google.com/webstore/detail/rss-feed-reader/pnjaodmknghhkoijehjcdlnohgmp?hl=en>
