Thread: [\\$10 profit single 1080 ti and \\$5 profit 1070 sounds good?](#)

PoLoW - January 24, 2018, 12:12 pm

How much do you make per day mining Zcash and other public Equihash coins with your Nvidia card ? \$5 for a 1080 TI a day ? You are happy?

If not i can teach you how to profit \$11~\$10 a day with 1080 TI or \$5 a day with 1070 minimum

Anyone interested ?

There's not really much to know about it.
I own a rig of 6 1080 TI gpu and each makes 10\$ a day +-
Just using NiceHash that's pretty much it.
