Thread: [Got my first Apartment!](#)

IzzyJohnson - January 26, 2018, 5:13 am

Finally it has happened. Ill be moving in March 1st with my bestfriend ? \$1099 a month including Electric/Water and its in an amazing neighborhood. Its actually more like a condo than an apartment which is really cool too! Im excited for this next year. 2018 will be amazing!

Post pics of the place when you get the chance.

Enjoy paying for everything now (food, etc) but congrats nontheless.

Nice. i rent a 3 Bedroom 2 story house for \$1k a month, nothing else included. We split it 3 ways though.

AlphaTurtle - January 26, 2018, 7:58 am

Mine cryptos if the electric power is included haha

Narpek - January 26, 2018, 10:14 am

Congrats!

I never could tell a difference between a condo and an apartment?!

condos are usually only 1 or 2 living spaces together, apartments are multiple ones in a big building usually. At least thats how we classify them here.

My friend's family actually owns Casto (the property company). Do you happen to live in Ohio?

also: grats man
