Thread: [Why do people buy EDU emails?](#)

Verus - January 28, 2018, 3:58 am

I was wondering why are people buying freshly created edu emails in masses.

FamousHater - January 28, 2018, 3:59 am

to resell on other forums.

Yup because most of the edu emails being sold on here are already blocked by Apple and GitHub. The ones I sell does work with apple and all the other services on the list. Check out my signature!
