Hey can you send me the methods please, thanks bro

MR. MORNINGsTAR - October 1, 2018, 12:50 am

Are you people serious?

I'd ban all of you who asked for the copy of this lol.

Let's just do some math. I'll take 2000 cause op said up to 3000. Let's say I'm working 8 hours a day using this method, that's \$16.000 and in one month that's 480k haha. So op, you want to tell me that you make more than 480k a month? And for the end. that means you make \$5.760.000 a year.

Everything sounds right?
