Thread: [FREE CAR EDITS \(HAVE YOUR CAR LOWERED, ETC!\)](#)

the6ix - February 1, 2018, 12:16 am

Want to make your car look lowered? Add some exhaust tips? Custom license plate? Removal of certain items on your car? Color change?

I can do it. ?

Post a picture of your car below, or send me a PM... I'll get to work!

Each pictures takes around 5-20 minutes due to what needs to be done.

Examples,

Car 1 (Before + After) [Added exhaust tips, removed license euro plate and added a custom one]

Car 2 (Before + After) [Lowered]

That actually looks pretty dope.

Not only has car edits, but nice lighting edits.
