I've been binge watching this show lately. I had no idea it was so good

I love bob's burgers, at first it was weird because H. Jon Benjamin who voices Bob, also voices Archer, and the two characters couldn't be any more different.

But the humor is great, and I have loved every episode (I'm pretty sure a movie is being made)

No way! I've watched pieces of Archer, it looks dope. I have been debating starting it as well. I just finished season 1 last night and it was too good. People say it gets better so I'll see how

I love Archer, but the humor is not for everyone aha, give it a go, the best seasons imo are 2 and 3

I have watched a couple episodes of Bob's Burgers. It's quite a fun show.

Agreed, the second season is a bit funnier so far.
