Does this require any investments, is it for the US Only? Ect, if everything is good il do a review after! :)

EDIT: Sent you a message on skype

amy santiago - *March 2, 2018, 8:33 am*

No investment at all
no works worldwide
barely takes few minutes to create a id
buy this method and make a bank selling edu mails

bustharmods - *March 2, 2018, 8:54 am*

I bought this yesterday, and it in my opinion is not worth it, i was only able to make one account and then i could no longer make any other emails, its really poorly explained, and was pretty obviously put together within 15 Minutes, really low effort eBook, AVOID!

amy santiago - *March 2, 2018, 7:04 pm*

please explain why you were not able to make more
i have tested method myself and i am able to make multiple accounts
