Thread: [I'm leaving](#)

ObiJuanKenobi2 - February 4, 2018, 2:32 am

I just wanted to say that I am leaving. This site is great and nobody has been horrible to me here I just wanted to say that I only came for one thing and I didn't get that thing so I guess I'm just beating about the proverbial bush staying. Thanks to all the awesome people who made me smile and the hilarious mentally challenged people like Real_Slim_Shady who entertained me.

Ehm. I do not know you, but bye I guess. Maybe one day you'll return!

You can always stay around and explore more.

Don't! HF won't be the same without you

SkullTraill - February 4, 2018, 2:53 am

There's no such thing as "leaving". Your account will still be here for you to log in to whenever you please. Which you probably will do, HF is addictive.

On the other hand if you actually just never log back in... well, sorry to say bud, but that shit rarely ever gets noticed.

So this thread is kinda pointless. Just PM your friends next time.

We have an introductions forum but we do not have a good-bye forum. We don't give a fuck that you're leaving and if you are leaving then you didn't even read this post so what the fuck is wrong with people?

Assholes!
