Thread: [This post was a mistake and i apologize](#)

kurutsha - February 6, 2018, 6:24 pm

so i posted this in wrong section and i am sorry and will remember not to do it again
Hope you all have a good day.

NA Riven - February 6, 2018, 6:40 pm

Perhaps you could search the hacking section and post it there? If you cant do that just sign out and dont come back

[Hacks, Exploits, and Various Discussions](#)

Try that area.

Mr.Peanut - February 6, 2018, 10:26 pm

Be prepared to waste a lot of time trying to find someone. Unless you find a rare method or throw down some serious cash, you probably won't find something.

TheSeizure - February 6, 2018, 10:37 pm

i wonder this to want to hack a facebook

Refer to my post above yours for insight. Also OP, you may want to edit your title as well if you're going to clear out your body of text.

I'm trying

Sans - February 7, 2018, 6:41 am

Go check the dark web, you will probably find something there.

maybe in the future

?BowmanBot? - February 7, 2018, 7:03 am

Don't worry about it mate!

Mistakes happen, all that matters is that you learn from them.
