First of all, i told you 130 unchecked smtps for 100\$

Proof : <https://image.ibb.co/mTq3qc/1.png>

Also i told you you can pay me 100 \$ now, the rest after you sell it:

Proof : <https://image.ibb.co/j0YWAac/2.png>

Then i said to you i will be 1 hour (2 max) more online. There is nonsense writing to me all night while i am sleeping.

Proof : <https://image.ibb.co/gngewH/3.png>

Also i sent to you all 100 ccs (first 50, and after that 50 more)

Proof : <https://image.ibb.co/jUuSix/4.png>

And also you told to me 55 SMTPS works and before taking ss for HF, you delete it.

OP, your pictures aren't actually proving like anything... you basically sending picture of what you have said.

Not a single picture of actual conversation with the guy? :S

This is a bullshit report, useless "evidence", and two scammers just battling it out.

Let them decide who has the bigger e-dick.

You have a habit of posting fake scam reports gtfo already you probably don't even have \$100 to your name
