.Pazuzu - February 8, 2018, 1:59 am

I voted 'Maybe' on the poll, because as much as we all like free stuff, it's all down to you Alexei, don't throw away all your money, but stuff like this is always appreciated, and is what makes the HF community one to come back to :)

I'd like to enter for the \$20 ETH award, as I'm currently saving up for a holiday, and all money made online so far this year has gone towards that- and I have done a fair few bits of [free graphics](#) for the community, as I don't really have any money to give away (That thread is a bit outdated, people just PM me, I get it done and don't really post anywhere).

Thanks a lot for the opportunity man! And good luck to everybody entering!

AlphaTurtle - February 8, 2018, 2:41 am

I'd like those \$20 ETH because I'm going snowboarding and I could use the extra money :)
