level0.0 - February 11, 2018, 6:44 am

Hello,

Since i 'am new to Forums, This is my First thread ,

I 'am level 0 i wont call myself a Hacker, but simply someone who has been working into the IT Industry for 7 years,

Networking , and server config, and stuff like these, I 'am willing to make some sharing, so all who are starting ask your Question i will answer Here ?
