Thread: [FREE ANIMATED INTROS | LOGOS](#)

RoastyToasty1 - February 14, 2018, 6:26 pm

Hello

I will make free Animated Intros or Logos for you

I would provide an example but I have less than 50 posts so I cannot

Each Intro/Logo will take between 1 hour minimum and 24 hours maximum days and large amounts of detail is required to make sure that each intro is accurately representing the Intro or Logo that is desired

Please use my Discord to request an Intro/Logo

Hey mate, if you could do a logo for me I would appreciate it a lot.
I like minimalist style and the name is "Mudz" you can do either a name logo or a different logo with the name on it, idk, I like thunders, wolves, triangles..
Thanksss ^^
