Thread: [Shoutout for shoutout on Snapchat. \(Personal/Girl snapchat\) Realpeople.](#)

Polm. - February 18, 2018, 4:56 am

Hello guys,

So I've been having a lot off followers on snapchat and I would like to do a few shoutouts for shoutouts. (FREE off charge ofcourse)

I will be using my personal snapchat with around 1/2k real followers. NO IT'S NOT AN E-WHORE SNAPCHAT!

I will show a few pics of location stats:

I've got people from Europe as well as people from the USA.
Hit me up with a PM! ?
