Thread: [Andriod hacking software?](#)

jkrstar - February 20, 2018, 3:40 pm

I want to buy good software for RAtIng an android s6/s7/s8. Can someone let me know which is the best software? Price dosnt matter.

I also need to come in contact with some experts. Im setting up something cool and will need help.

I will pay with BTC/XMR.

Thanks,
pm me please.
