Thread: [Rick and Morty or Family Guy?](#)

Haroshi TM - February 21, 2018, 8:06 am

Recently i've watched all 3 seasons of rick and morty and for some reason i like it alot more then Family guy but this can also be due to the fact that family guy is spamming the same episodes over and over again here in belgium.

Which is better according to you?

Pain - February 21, 2018, 8:07 am

I haven't seen Rick or Morty heard a lot, but I will choose Family Guy the OG

Ninja - February 21, 2018, 8:09 am

I've only watched very little of Rick and Morty but I would have to say Family Guy.

3 seasons is a lot, I normally binge when I start something so it gets bad... What do you like about it?

Yeah took me a while though tbh but can't wait for season 4.

Rick is just funny afak and their adventures are fun to watch aswell, completely different then most cartoons i've seen, the jokes now and then are great though.

I think what appeals me most to rick and morty is that it's a pretty creative cartoon, you either gotta be very creative or high as fuck to write these episodes.

How many episodes does it have, I always wondered is it like Phineas and Ferb?

Tryhard-unique - February 21, 2018, 8:18 am

I think The Simpsons should be on there. Oldschool Simpsons <3

Armada - February 21, 2018, 8:21 am

Its ALL about the Family, fam....

The Brian and Stewie episode are awesome...

Nahh man completely different, the jokes and some scenes are way to brutal for kids, it's on oldschool southpark level pretty often lmfao.

I don't think you can compare it with any cartoon tbh - about 31 Episodes: 3 Seasons.

Recommendation to watch for sure for whenever you got nothing to do.

SysAdmin - February 21, 2018, 8:22 am

I haven't watched full episodes of them, only clips most of the time, but I'd rather go for Family guy

I enjoy both shows. I however feel though Family Guy is still better, granted I've been watching it since I was a baby. It came out a year after I was born and I've watched it since.

January 31, 1999 was when the show came out I was born in October of 1998. So I wasn't even 1 when it came out, my dad enjoyed the show so he'd always watch it. So I also watched it as he'd watch over me. I've seen every single episode multiple times, including all the new ones that come out weekly.

I also enjoy other shows like American Dad, Archer, Bobs Burgers, Futurama, South Park and so on.

Two completely different shows. Try NOT assuming that the things you bandwagon are the only in the niche-- for example, cartoons

Huh?

Who is assuming anything?

Who said that they are the only cartoons there are?

Who said they where the same in the first place?

How does your comment relate at all? The only word that relates is "cartoons" Imfao.

Well yes is dumb ,, actually I didnt continue to see both because there are too dumb in some aspects and the humour used in both isnt of my personal taste,,,, like maybe one episode I would appreciate it or like it, but the rest would be just a kind of humour I would not like,,

Rick and Morty probably. I love how so many people used to love the show then it became normie and edgy to 'hate' it.

Family Guy.

I personally loved rick and morty. I will say the season 3 final was kind of a let down but all and all its a really detailed show even though it was as hectic as it was. But if you enjoyed the show you should look into "Final Space". I've only seen episode 1 but I can all ready tell I'll love it haha

I don't really watch too much these two shows, but I'll vote for Rick and Morty.

No doubt Rick and Morty, it has way more modern humor that can be applied to our generation.

Family Guy was a bit more entertaining IMO. Haven't finished watching Rick & Morty but its definitely a great TV-show as well.

Amityville - March 3, 2018, 2:06 am

I'm going to say Rick and Morty. It's seems more refreshing and they don't seem to recycle their style of jokes. Family Guy is great but man it gets annoying when almost every episode turns into a musical. Still love both but my main argument is that Rick and Morty has less episodes and I love every one of them. Family Guy has a lot but there's only so many I like.

drunkenny - March 5, 2018, 12:29 am

Family guy, easy. You do need to invest into it abit

Hunion - March 6, 2018, 7:38 am

How do they compare? Family guy has 16 seasons, Rick and Morty are purposely waiting a fucking year to release one fucking season because they know everyone likes it.

Family Guy has been around way longer, can generate more laughs per episode by far in my opinion.

Rick & Morty, is that even a question??
