Videos are Snapchat sized, so around 10-20 seconds per video with smooth transition. Videos are mostly erotic.

Greetings Icarus and the MontiusEOM!

-Im new in eWhoring game and I started today. Been hustling for whole day and made 15dollars out of a fat girls picture pack.

-So all I have to invest is 15dollars, I am wondering if it is possible to get a picture pack for that money from you? It can be with less pictures but I guess it will help me more than current girl.

-With the pics I have all the success depends 90% on social engineering..

-But I cant engineer those ugly boobs of hers.

Anyway, I am looking forward to get an answer from you guys!

I wish you great luck in your business!

Kind regards

Truck
