Thread: [SEO BOOST | WATCH HOURS | YouTube Watch Time Booster | 1000+ HOURS | PARTNERSHIP](#)

Herbert - February 25, 2018, 6:26 am

Today I'm providing a new service boosting the watch time of your videos.

F.A.Q.

What are the requirements?

the requirements are as followed:

- disable ads when the service is running. (we can allow ads but the service price will increase)
- video length of minimum 1 hour and a maximum 10 hours. (we may accept some videos below quota)
- must have access to the analytics of the channel.

What does watch time do for you?

currently watch time is a requirement for the partnership program.

4000 hours and 1000 subs are required to be eligible for the YPP.

other than partnership, watch time increases the suggestion rate of your video on the side of other videos, as well as at the end of the video.

is there a possibility that the watch time will be revoked/rollback?

As of yet, we've tested everything out regarding the service, and everything sticks and controlled by a well thought algorithm.

Pricing and Payment

1000+ hours / \$25

2000+ hours / \$45

4000+ hours / \$80

Anything above, contact me.

we do not deal in lower increments.

we only accept cryptocurrency.

Delivery time

can take anywhere from 2 hours up to 48 hours, depending on the order.

T.O.S.

by purchasing you agree with our following terms.

- we do not refund once the payment is made, unless in rare circumstances where we cannot provide the service requested.
- all payments have to be confirmed via HF PM system, self knowledge, make sure to verify your purchase over HF first.
- for purchase contact me via PM.

This seems like it may be useful for me in a few weeks i'm just waiting for something to arrive in the post to upload more content. I'm currently using a panel in here and currently at 850 watchtime hours. with like 35k views. I'm just curious if i was to use your service would Youtube notice this and Ban my account. This does seem like an awesome service you provide.

The video has to be a minimum of 1 hour long?

they can, just requires a temporary video, if you can't provide one, one will be chosen for you based on the theme of your channel

still active, sold a few but sad to say they didn't follow with their word on leaving a vouch, however can confirm that they got approved for partner.

I'm a trustworthy guy, done hundreds of deals on here, if you hesitate we can always use a middleman.
