Thread: [Anime Characters You would like to see as a Couple](#)

Shaggy - February 28, 2018, 6:37 am

Post Anime Boy and Girl you want to see being a couple.

And if you have an idea if what character will be born from their uniting. Post it too

They should be in a different anime than the other one

It will be entertaining if you could provide a reason why did you choose your pairing.

I'll start with this:

Kawai Ritsu: Bokura wa Minna KawaiSou

&

Usui Takumi: Kaichou wa Maid Sama!

Props to my 1337 editing skills ?

Why did I choose this pairing?

Ritsu and Usui will make such a good match in my opinion [Not Perfect] But I think they will balance each other as Usui knows what to do in almost every situation and Ritsu and is kinda clueless and doesn't even know why she is there. Usui will spoonfeed her until she has grown keen to what's around her.

(Possible Son/Daughter of the Pairing)

Fujioka Haruhi: Ouran High School

Spoiler ([Click to View](#))

Why?

The genes of Ritsu which is clueless belongs to Haruhi even if Host members are showing their affection towards Haruhi. She is basically still clueless.

as for Usui, The ability to adapt quickly in a environment like joining host club and getting used to it in such short period of time.

I would like to see Package and Tweety as a couple. Tweety being the dominate female in the relationship while Package being the submissive male.
