Thread: [\[FREE\] Lynda.com accounts method \[Easy & Legal\] \[No investment required\]](#)

Anima - February 28, 2018, 10:46 am

Hi everyone,

If you are interested in receiving the Lynda.com method, go here - <https://rocketr.net/buy/c45fa5d082fe>

It's free but you have the option to pay for it if you like. The method is very self explanatory and is very easy to do :)

Just a quick edit, there is no investment and does not require a debt/credit card
Enjoy!

If you get this, please drop a reply to let me know ^_^ Thanks <3

That's pretty awesome, I'm thinking about fixing my laptop or buying a new one to run Linux on & learn how to use it better. Ideally I want to learn how to code, use linux and be a bit better at graphics design :3

soloff1ght - March 7, 2018, 3:26 am

Is this a lifetime Lynda.com account? or a 1month trial?

Online registration is unavailable outside the DC Public Library service area.

I get this error whenever I try to signup on the dclibrary page.

Anima - May 8, 2018, 12:45 pm

Thank you to everyone who have downloaded this product. Due to this method now being patched outside of the USA and within certain areas of the USA, I am now discontinuing this method. Please feel free to share it with your friends if you already have it or open a thread of your own :)
