Thank you for feedback, guys!

Looks sick!

I love how you've been creative with the border and making it fit for the alignment to the right.

Colour scheme is on point great choice, also great thinking of the align right and the diagonal cut. Very clean

I'm not a fan of the various fonts you've used but it's a nice graphic overall.

I like how it looks with the pink color scheme, and how it sits on the right in your sig. Looks good man!
