Lufasu - March 3, 2018, 9:39 am

I think he gonna resolve that, he got a lot of customers so why would he scam?
if not I'm sorry about your loss brudda

Admire - March 3, 2018, 11:22 am

that's why i'm confused. I was waiting on making a dispute because sometimes things happen. But I don't want someone else to get scammed as well.

Admire - March 7, 2018, 8:07 am

He has been offline last couple days, i'm assuming something happened irl. I've reached back out to him on Skype now that he is online again. Will update when I receive a response hopefully we can close this out.

i assume the deal was made before the contract system was implemented on this forum .

i forgot the exact date when but anyway hope it gets resolved

Yes, this thread made on 03/2018.

Seems deal was made before contract system available.

So, maybe OP should pm any Staff to ask how to resolved this.

I never expected to get my money back and I truly don't care about it. Just a shame that this wasn't handled and he's still allowed. Just because he hasn't been on since december doesn't mean he won't return.
