Thread: [Anime girls are god's gift to this planet](#)

Deany - March 3, 2018, 1:55 pm

It's true. 3d females, you need to watch out. Men are waking up and realizing 2d waifus are superior to you.

Enzio - March 3, 2018, 1:56 pm

Alright, I need someone to delete this thread ASAP.

(I need new anime so hit me up with some)

I like the 2D ones, but they just don't provide the same level of pleasure as the 3D ones.

(bout to get some, can't say that with a 2D)
