Thread: [LF: Someone to write me a short story \(Junior HS level\) \\$45](#)

CryptoSid - March 5, 2018, 8:45 pm

Looking for someone to write me an original short story, will pay \$25 up front for this work, then an additional \$20 depending on my grade.

Details:

- Must involve predator-prey through animals that aren't a snake, tiger, lion, dino, sting ray, sheep.
- Preferably 1500-1750 words
- Junior highschool level work, so nothing too fancy/special.
- Must involve things like simile, metaphor, hyperbole, onomatopoeia etc..

-Beginning should have a detailed setting, character details/description, pathos, mentioning it twice because it's very important, slower story due to longer, more detailed sentences

-Middle should have the conflict (internal + external conflict), rising action, dialogue, faster story due to shorter sentences.

-Ending should be satisfying, meaning no cliff hanger and no cliché endings.

Need by Thursday March 8th at the latest.

if you're willing to do this please pm me,
cheers!
