Thread: [Anyone have a PDF copy of microsoft visual basic 2015 reloaded 6th edition?](#)

uyen200770 - March 15, 2018, 8:11 am

Anyone have a PDF copy of microsoft visual basic 2015 reloaded 6th edition?

I saw another thread on 2015 but have no book at all. been searching for 2 days but can't find it. Anyone has it. please share. Thanks

Do you need this exact book for school or something? Because it is a bit dated and if you don't need this exact book I suggest you find newer ones.

the old thread is here (hackforums.net/showthread.php?tid=5792775) because I'm not allow to add link

I'm not allow to reply This thread or ask on PM.

Look like bobjoe7 had it but I can't ask for link
