Happy birthday, Positive!
All the wishes we'll try to give.
We hope the years you gonna live,
You keep on stayin' positive.

22 is same as 23,
Cagey says, so we agree.
Another year to eternity,
to soften words of Agony.

Don't even know why I'm writing this,
so please accept my apologies.
HF vibes is just going strong,
so anyone can just sing along.
Again, happy birthday Positive! ?
