I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Got Verified Paypal and BTC to spend on US Amazon Gift Cards. I am strictly looking to pay 65-70% FIRM. I don't go first and won't buy amounts over \$100 as I do not want to deal with anything carded.

ToS:

1. For any reason, I can request that you show proof on how you obtained the card for safety reasons.

2. You are held responsible if the card is invalid or ends up reversing.
