works returns with our fifth Freebie Friday. Note that these assets are not created by works, and thus you should always adhere to the original creators' terms of use. We will never knowingly leak private or paid content for free; our offerings are simply high-quality, free resources.

This week we're sharing 30 high-quality brush packs, as requested by you! No specific brushes were requested, so we've put together a big range of brushes you might want to use.

Please request what you want works to share next week: would you like gradients? Fonts? Brushes? works will share whatever you feel would help you improve the most.
