Run-time videos/scans?

Stub sizes?

For the price, it is very impressive that you offer this list of features + 2 stubs.

Hi

Is it a new stub update?

Thanks

MakenduOwnage - May 16, 2018, 5:13 pm

does this work with netwire

dunkeyknog132 - May 17, 2018, 1:36 pm

Just bought this, hoping it all works smooth buddy thanks.

dunkeyknog132 - May 23, 2018, 1:35 pm

Bought this a week ago still doesn't even let me login. And no response from seller who I pm ed

travisci - May 28, 2018, 9:38 am

Does it provide runtime FUD? or just scan-time? Because AFAIK Spyril is a ST Scanner not RT
