Thread: [Looking to start a small Minecraft server with only a few people.](#)

F?cqle?? - March 20, 2018, 12:01 pm

Haven't played Minecraft for a while but thought it would be fun to hop on with a few people from here and play on a Vanilla server for a while. Anyone interested?

Looking for maybe 4-5 people.

Vanilla? I'd join a modded, vanilla is kinda boring and dies out fast.
