Thread: [Approved for UB3R? ITS FREE FOR 5 MINS](#)

Gay - March 20, 2018, 6:23 pm

If you're approved for uber but you haven't bought it yet, just post here. I'll buy it for you! Only for the next 5 minutes, doesn't matter how many people post. 5 minutes from this post, you get ub3r if approved.

Edit: If you're reading this, it's too late

Doesn't look like anybody on this thread has been upgraded.... if you're still willing to do this, I'm approved for Ub3r. I was in midst of going out for dinner.
