Thread: [second account and invalid rep.](#)

The Original - March 22, 2018, 5:10 am

1-hey everyone i have just quick question.i dealt with someone in the past,we started a kind of business but things didn't worked out well and right now that guy leaved a rep

is he allowed to leave a rep like this ? since i didn't scammed him.business didn't worked out thats all.

2-is he allowed to open a second account if he lost the old one ?(i guess not but i just wanna be sure before go to omni)

His rep is invalid.

Follow the steps at the bottom of this page

His last account was closed. I'm pretty sure Omniscient knows who he is as well

That rep is invalid. He cannot make a new account because he lost the other one just like that. Just link this thread to Omniscient in the PM together with a profile link. Let him investigate his previous account.
