What is the maximum times we can redeem these codes and send pods to the same address?

I've had someone do 15+ on one account, however I haven't had anyone hit a maximum on an account or address that we have been told about.

WRX - March 22, 2018, 4:10 pm

I have a juul verified account and could do a vouch for you. Let me know

zivid - March 22, 2018, 5:20 pm

Is this still working? returns.juulvapor.com gets me to main page of juulvapor.com now, instead of the return page.

I think that would look a little sketchy if someone was using 500 replacement codes at once. Don't try to raise any flags and have it stopped and ruined for the rest of us.

WRX - March 23, 2018, 1:33 pm

Vouch. Bought 8 codes from OP and they all worked on the site. Easy to work with and super fast replies. Will be doing more bulk orders in the future
