What's unprofessional about the domain? I actually quite like the name.

Website works, pretty nice. You get 3 bits every hour which is almost nothing, but it's still fun to play

with. I'll probably deposit later.

Thanks for the support everyone! We are giving out FREE BITCOIN CASH every hour, come try out our game! OVER 27 BCH wagered since our launch one week ago!

Omniscient - April 6, 2018, 11:26 am

Site looks fine to me. I don't gamble online but it appears to work like Bustabit with BCH. And the domain is just fine imho. Lots of crypto sites use .io extension.

phun.io - April 15, 2018, 5:13 pm

We appreciate the support everyone!

i signed up and played this game its pretty fun just like bustabit but with bitcoin cash and there is a faucet.

Rake - May 1, 2018, 6:03 am

This is literally just a bustabit copy.

Lazy as fuck
