[\[\\$0.50\]How to Make YouTube Accounts in Bulk\[\\$0.50\]\[VOUCHED\]](#)

Author:

[mdfilms](#)

Length:

Very short.

Potential:

Not much.

[img]

5/5 The quality of information was amazing, I could tell exactly what he meant, and was really easy to follow.

[img]

3/5 The eBook was easy to follow, but the method is very hard.

[img]

1/5 It came as a .txt document, so it was really plain.

[img]http://upit.cc/images/5fe7ea0d.png[/img]

5/5 I couldn't find one grammar error with in this eBook.

[img]http://upit.cc/images/a7bd16f6.png[/img]

1/5 This method is hardly original, most people will already know if it, and if they do not, it is just common sense.

Over all rating! I give this eBook an average score of 3 stars.

~A (Aug 2, 2010 07:23 PM)Epic™ Wrote: [\[CITE\]](#) Unofficial Review By Epic

4.6/5-Quality

This e-book has very good quality. It explains this method step by step. He provides links in his e-book.

4.4/5-Ease of Use

This method is time consuming. Beware this also MAY not take 1 day. Also, the author explains his method in e-book clearly. He provides the information you need on making a lot of YouTube accounts. Overall, it is easy and sometimes it is not easy.

4.0/5-Layout

Not that much in his e-book. There are no colors and no pictures within his e-book. His layout is not distracting. The only color's here are black for the font and white for the background.

5/5-Grammar

I have not noticed any grammar mistakes in this e-book. The author clearly indents correctly and uses bullet points. Very good!

3.9/5-Originality

I have seen this method used before. This will not stop you thou for purchasing the e-book.

Average Rating=4.38

Notes-

If you have the spare money. This e-book is clearly worth the 50c. Also, remember to vouch when purchasing!

The method only works with USA residents.

BusMan - August 1, 2010, 10:59 am

Wish you Goodluck ^__^

Eleqtriq - August 1, 2010, 10:59 am

I'd be interested in this but I don't have paypal \$\$ right now, reserve a copy for me :D

SpK - August 1, 2010, 1:16 pm

I got this one like 10 minutes ago, and I have 5 accounts now. (For those who ask if this takes time)

Let's say 1 acc every 2 minutes if you do two things at once (HF & Account making)

Grammar Rays - August 1, 2010, 1:55 pm

Do we need pre-made emails to use? Is it a program? Can you provide print screens if this is a program?

I'd review it for you unless you want an official reviewer in which case I don't mind being told to "Fuck off", Lol.

However I wish you good luck with your sales.

Praefectus - August 1, 2010, 2:00 pm

Salad - August 3, 2010, 2:41 pm

I'll buy since it's only 0.5\$

Could you please PM me your paypal? Thank you :)

BMXKing - August 3, 2010, 6:00 pm

May i ask about how long it takes to make each account?

Porn™ - August 3, 2010, 6:13 pm

(Aug 3, 2010 06:00 PM)SH0tz Wrote: [\[CITE\]](#) May i ask about how long it takes to make each account? This question has been answered before.

I do not have the ebook but someone said it takes about 2 minutes to make 1 account if you are doing two things at once for example post on hf and make the account. ?

BMXKing - August 3, 2010, 6:18 pm

Hmm, i might buy it then.

So that would probably be around 1 minute an account haha.

Since, i wont be on HF while making them.

Always Sad - August 3, 2010, 6:45 pm

Ill buy it,

paypal? and msn?

Praefectus - August 3, 2010, 8:13 pm

I sent all of you my PayPal.

Salad - August 3, 2010, 8:21 pm

Guide is short, only 1 page, goes straight to the point, will test it later. Maybe a little details on some points would have been good thought.

In general, since I have knowledge with YouTube Account Creating, this could probably work pretty well.

Well worth my 0.5\$

Automatic Coding - August 3, 2010, 8:27 pm

So, for 50 cents you telling us to make a account...sign out...make an account...sign out...?

Praefectus - August 3, 2010, 8:29 pm

Same. I don't suggest anyone to buy this. You can't make more than 15 a day because of the phone number verification.

Ally Mac - August 21, 2010, 1:15 pm

eBook title:

[\[\\$0.50\]How to Make YouTube Accounts in Bulk\[\\$0.50\]\[VOUCHED\]](#)

Author:

[mdfilms](#)

Length:

Very short.

Potential:

Not much.

5/5 The quality of information was amazing, I could tell exactly what he meant, and was really easy to follow.

3/5 The eBook was easy to follow, but the method is very hard.

1/5 It came as a .txt document, so it was really plain.

5/5 I couldn't find one grammar error with in this eBook.

1/5 This method is hardly original, most people will already know if it, and if they do not, it is just common sense.

Over all rating! I give this eBook an average score of 3 stars.

Cam G - August 22, 2010, 10:55 pm

Author: [mdfilms](#)

Title: "How to Make YouTube Accounts in Bulk"

Pages: 1 (Notepad Document)

Price: 0.50\$

Reviewer: [Cam G](#)

Review (Ratings on a scale of 1-5)

==

[img]http://upit.cc/images/82278841.png[/img]

Quality of Information:??? 3 Stars.

Comment: The quality in this was alright. I believe the author could have gone into more detail, however with the method provided it's pretty straightforward, therefore it would be pretty hard to expand. I do believe that there could have been more details, and effort put into it.

==

[img]http://upit.cc/images/50e1b4f4.png[/img]

Ease of Use:???? 4 Stars.

Comment: The method described in the eBook is really easy to use, and the eBook itself is easy to follow. The only problem or flaw is that it's time consuming, which was disappointing. Apart from that pretty much anyone can do it. All it really requires is patience and time.

==

[img]http://upit.cc/images/aea97688.png[/img]

Layout:? 1 Star.

Comment: The layout wasn't very good. It was made in notepad, and there were obviously no images, no index, no headings. Other things like steps, examples and even paragraphing was missing. There would need to be a lot more work put into this area in order to get a higher rating.

==

[img]http://upit.cc/images/5fe7ea0d.png[/img]

Grammar:????? 5 Stars.

Comment: I was unable to find any definite grammatical errors in the entire eBook. It is short, but the grammar could be considered perfect. I read through it several times and didn't find one. Good job with the grammar.

==

[img]http://i38.[censored].com/2mm72bc.png[/img]

Originality:? 1 Star.

Comment: This eBook's originality was disappointing. It's something some people may overlook, but none the less I didn't find it unique at all. This is something obvious that I believe lots of people know and do already.

==

[img]http://upit.cc/images/99eae7f1.png[/img]

Notes: This eBook is not something I would buy for the simple reason that the method is pretty much common knowledge. It doesn't really have any originality, and it's time consuming. Not much else to say than that.

==

Overall Rating
