Thread: [Thread Design](#)

G--D - March 27, 2018, 7:39 am

Hello guys this is the latest thread design i've made i hope you share with me your thoughts and critics and that's really appreciated thanks in advance <3 .

I love space theme designs ^^

Thank you so much <3 ?

Genoboy - March 28, 2018, 12:21 am

looks great! did you create those space designs from scratch or you just added those?

Really loved the colors on this one! you could've done something more creative with the white rectangles that include the text in them below, maybe turn the upper one into a space shuttle, I liked everything overall (:

2073436 - March 31, 2018, 2:03 am

Looks very good but if I were you I'd add more elements with different colors so that the packages and prices stand out from the rest of the design

could be as simple as changing fonts/adding shiny icons etc
