Thread: [\[AUTOBUY\] Unlimited Xbox Live Gold! | Includes Free Games \(WW2, Destiny2, PUBG\)](#)

Transcendent - March 28, 2018, 4:26 pm

[Click Here To Purchase!](#)

Accounts currently in stock: 30

Price of accounts: Varies (Currently all \$19.99 will change)

All accounts Checked and Working 3/28/18

I'm providing you with an account that is already paying for xbox live and you set as your home xbox. You'll also be receiving the games they have purchased as-well. Some accounts contain new games such as WW2, Destiny2, NFL18, 2k18, FIFA18, PUBG, Sea of Thieves and tons of purchased DLC.

Vouches from previous thread:

(Dec 2, 2017 05:06 PM)Variant Wrote: [\[CITE\]](#) I can vouch for Transcendent. I bought two accounts with no problems. I'll recommend him to anyone. GLWS homie. (Dec 4, 2017 02:05 PM)

RollinThatDice Wrote: [\[CITE\]](#) Vouch for Transcendent. Has a variety of options to choose from and has stock that quickly changes. Transaction went smooth and I was provided my accounts within minutes from payment. Thanks again for the accounts! (Dec 5, 2017 08:59 AM)real Wrote: [\[CITE\]](#) Big vouch. Bought an account and the transaction was amazing, was helping me the whole time. Deal with confidence.-->

So its essentially accounts you add to your xbox and you just essentially "leach" off their xbox live as it shares it throughout the console and including there games

Yes, once you set to your home xbox you will have their xbox live gold and all the downloadable games listed some worth over \$750 in total.
