Come hang boys, streaming for a bit

Brainably - April 1, 2018, 8:12 am

Just a headsup, i just watched ur stream and it is lagging out at times. Checked on my mobile and browser, on both devices it happened.

GL with your stream ?

Thanks for the feedback dude :) Ill try to edit some stuff for the lag, I think its mainly when i browse something on my second monitor

Was just in there, it's a bit laggy in my eyes and would appreciate if you could turn some of the stuff down. The graphics are looking insane and it's unnecessary.

Streaming w my women :) come take a gander

HypoLiize - April 1, 2018, 7:08 pm

Nice job streaming but very choppy and i understand its not easy to chat all the time as a streamer myself but watching silence and choppy frames isnt fun ;(try raising bitrate

I think I may have fixed it, it was due to me having twitch up on my other monitor. But regardless thanks for the feedback :)
