That is the correct package.

Unfortunately, spotify limits the amount of family invites you can receive within 6 months.
If you were simply upgraded, and not added into a family plan I can upgrade you- yes.
Otherwise, you would have to create another account.

Start a contract and use the autobuy if you are interested. Please include your country of origin
aswell via PM or contract.

Can no longer support paypal payments via autobuy,
PM me if you are still interested in purchasing an account.

Apologies.

tonitox - August 22, 2018, 4:10 pm

I bought a spotify account but this one does not work !! you told me by amil that you will proceed to refund but what days later you tell me that it is not possible! You are not a serious seller

neoz99 - August 23, 2018, 12:13 am

Hi, Could you please pm me?

Almonds - August 29, 2018, 8:28 am

Closed for restock

Hulu and crunchy roll still stocked, along with fortnite accounts!
