CYB3RM4N - April 12, 2018, 4:40 am
Oh wow, looks really good!

10/10. Kinda reminds me a bit of the Plants vs. Zombies art style a little.

Yea i like it too, its a little bit like the ESL logo Designs but also some selfmade style in it

Crakito - April 19, 2018, 1:20 pm

I would do the white outline thicker so it's more like a sticker.
The rest is 10/10 keep up the good work!

Assless - April 19, 2018, 7:51 pm

Really simple and the colors you used make it really appealing to the eye. I'm digging it OP 10/10 from me

how did you make this?
????????????????

f o r m i d a b l e - April 25, 2018, 2:06 am

Definitely brings out the horny, and looks like a Cartoon Network character.

Nelphia - April 28, 2018, 9:47 am

Really beautiful ! But I think that the background spoils a little everything, on a white background or clearer I think it would make it better.
