Thread: [\[US Only\] Free Shell Gas Code, Get Cheaper Gas!](#)

Hollow™ - April 2, 2018, 11:54 am

I'm giving away free Shell gas codes as I purchased too much before and have no use of it now. These work in US only, and does not work in Illinois!

The balances on the accounts are lower than \$0.50, but hey you can still get some discounted gas!

Quote:Tutorial:

1. Go to any nearby Shell location you'd like
 3. At the pump, click on Fuel Rewards -> Alt ID
 4. Enter the Alt ID I gave you, insert your card to pay
 5. Discount will be applied, then you may pump
- Post below or PM me and I'll reply with a code!

mreazw - April 2, 2018, 11:57 am

Do you have any \$.75+ accounts?

Would be a huge help. After the gas methods were patched I've been paying \$3.25/gallon :/.

Hollow™ - April 2, 2018, 11:59 am

Sorry man, they are all going to be random. At the same time they are free, even a \$0.10 cent per gallon discount would help IMO.

Bear - April 2, 2018, 12:00 pm
