wtf. I want to see. SHOW ME!!! DONT DO THIS TO US

Mr Meeseeks - April 3, 2018, 12:19 pm

I used to love invading random twitch streams just to see all the weird shit going on.

XzoRcisT - April 3, 2018, 12:25 pm

This is hilarious, wonder what else we're gonna see lol

John Player Special - April 3, 2018, 12:30 pm

I missed the show sadly :(dad seem to be gone aswell

I don't understand how or why someone wouldn't even notice that recording software is being ran in the background. I mean it's not hard to click on the taskbar and see the programs and realize your on twitch...

AHHAHAHA

I can see the look on his face now when he finally realizes what has happened.
